

PUBLIC ONLINE BIDDER REGISTRATION & DEPOSIT AGREEMENT

JAA Marketplace + Public Auction Simulcast

\$300 REFUNDABLE DEPOSIT

One approved registration and one \$300 deposit provide continuing public online access while the account remains in good standing, and the full deposit is maintained. This public credential does NOT provide access to the Tuesday Dealer Auction.

B. Registration Requirements

- I am at least 18 years old and will provide a copy of my current government-issued driver's license.
- I will maintain accurate contact information on my JAA account, including my current email address and phone number.
- My online bidding privileges will not be activated until JAA approves my registration and receives the full \$300 refundable deposit.

C. Online Access

- My approved public account may be used for JAA Marketplace and designated Public Auction Simulcast events.
- My public account does not authorize participation in the Tuesday Dealer-Only Auction. Dealer-only events require separate dealer qualifications and approval.
- I will not share my account, bidder number, password or bidding access with another person.

D. \$300 Refundable Deposit

- The \$300 is a refundable customer deposit; it is not a registration fee or buyer fee.
- The deposit remains on my account while I remain active. JAA does not pay interest on the deposit.
- I may ask JAA to apply all or part of the deposit to a vehicle purchase. If my deposit balance falls below \$300, my online bidding privileges will be placed on HOLD until I restore the balance to \$300.
- The deposit is not transferable to another person or bidder account.
- If I owe JAA money because of an unpaid purchase, authorized fee, returned payment, chargeback, default or other amount due under these terms, I authorize JAA to apply my deposit to those amounts before any refund is issued.

E. Bids, Offers and Purchases

- A bid or Buy Now purchase submitted through my account is my action and is binding when accepted under the applicable sale or Marketplace terms.
- A cancellation request does not cancel a binding bid, accepted offer, IF transaction or completed purchase.
- Vehicle-specific announcements, light conditions, seller disclosures, reserve/IF conditions and the current posted JAA auction rules control each transaction.
- JAA may reject or reopen bidding, correct an obvious clerical/system error, or suspend an account as permitted by the applicable auction rules and management policy.

F. Payment, Fees, Title and Pickup

- For online purchases, payment in full is due within 24 hours of auction close unless the listing or sale-specific terms state otherwise.
- I am responsible for the purchase price plus all current buyer fees, applicable taxes, title/registration charges, storage charges and payment-processing fees stated in the sale terms or posted fee schedule.
- Vehicles and titles are not released until JAA's payment-clearance requirements are satisfied.
- Pickup, storage and title-delivery requirements are governed by the current posted JAA terms for the transaction.

G. Vehicle Condition and Buyer Responsibility

- I am responsible for reviewing the vehicle information, photographs, announcements, light/status and all available condition information before bidding.
- Online photographs, descriptions and data are provided to assist bidding but do not replace the vehicle-specific terms, announcements or inspection rights that apply to the sale.
- Any arbitration, guarantee, TechCheck inspection coverage, AS-IS status or other condition protection is determined solely by the vehicle's stated sale terms and JAA's current published rules.

H. Default and Account Suspension

- Failure to complete a purchase, returned payment, chargeback, identity issue, account sharing, fraud or material violation of JAA rules may result in immediate suspension or termination of bidding privileges.
- A refundable deposit is refundable only after my account is closed in good standing and all obligations to JAA are resolved. JAA may deduct or apply amounts I owe before returning any remaining balance.
- I remain responsible for amounts due under an accepted transaction even if those amounts exceed my deposit.

I. Cancellation and Deposit Refund

HOW TO CANCEL

Email jaauctiononline@gmail.com from the email address on your JAA account. Use the subject: CANCEL PUBLIC BIDDER ACCOUNT - [YOUR FULL NAME].

- JAA will disable new bidding when the cancellation request is received and verified.
- JAA will first confirm that I have no unresolved bids, purchases, unpaid balances, returned payments, chargebacks, fees or disputes.
- When my account is clear, JAA will issue the eligible refund by JAA check and mail it by USPS to the verified mailing address on file.
- If I request a different mailing address, JAA may require additional identity verification before changing the refund address.
- Eligible refunds are generally processed within 5 business days after the account is cleared. USPS delivery time is separate and is not controlled by JAA.

J. Acknowledgment and Agreement

I have read and understand this Public Online Bidder Registration & Deposit Agreement. I agree to follow the current JAA Marketplace, Public Auction Simulcast and posted auction terms applicable to each transaction. I understand that material policy changes may require a new acknowledgment before future bidding access is continued.
